This is the very basics of using Ethics for the Schools - Classroom is so that all children get a good start. This section is very basic and only tells you what you need to know in order to begin to use Ethics. Internet Use Description: This is part of the policies that you should use in regards to the Internet. This is not the same as ethics, as it is the process you follow when doing so. We are going to start by talking about some "BASIC" Ethics. These are the basics of Ethics. This is a MUST know before we start talking about internet use. BASIC ETHICS 1. Never lie. 2. Never cheat. 3. Never steal. 4. Never bully. 5. Never assault others. 6. Never talk about others personal business. 7. Never talk about others private affairs. 8. Always remember to be good to others. 9. Always have respect for others. 10. Keep your promises. 11. Do what you say you are going to do. 12. Always be polite to others. 13. Never hurt others for no reason. 14. Always do what you can to help others. 15. Always be honest. 16. Do what is right for others. 17. Always do what is fair. 18. Always be fair to others. 19. Be honest with your teachers. 20. Do not steal things from your teacher. 21. Do not try to take anything from your teacher, even if you think you deserve it. 22. Do not take things from the store. 23. Never take things from the store that you do not pay for. 24. Do not take any things that do not belong to you. 25. Remember, even if you may have earned something you should not take it. BASIC Internet Use: 1. Do not use the Internet to bully, harass or threaten others. 2. Do not use the Internet to cause emotional distress to others. 3. Do not use the Internet to cause pain or suffering to others. 4. Do not use the Internet to deliberately destroy others' property or experiences. 5. Do not use the Internet to expose any person's private affairs. 6. Do not use the Internet to cause damage to computer systems. 7. Do not use the Internet to distribute obscene material. 8. Do not use the Internet to
