May 20, 2020 23 Feb. 2007 Thanks to the Internet, an increasing number of people are now more aware of Islam and its religious heritage. In recent years, it has become more difficult to find a reliable source of Tafsir on the web. Fortunately, we are seeing a new wave of Tafsirs being born on the Internet. This article is the first of a series of articles on the best Tafsirs available on the Internet today. I have intentionally chosen Tafsirs that teach the basic concepts of Tafsir, yet are easy to understand. For other excellent Tafsirs that cover advanced Tafsirs in a shorter, more concise and clear format, please refer to the entire free Tafsir Series from ibn Haytham. It is divided into three parts: Basic Tafsir, Basic Hadith, and Basic Language. Download Arabic Tafsir As-Saadi full book.
