I was initially a little wary of downloading the trial version and thinking that it would be a "one and done" product. Your team was incredibly helpful and went out of their way to make sure that I had everything I needed in order to transfer the photos and other data I needed to get them out of my machine. In fact, they made me feel like I was their only customer and I can see why they are in business. I will definitely be back for more! Oct 20, 2017 Great software, easy to use Pros Ease of use. Easy. Fast. Cons No cons. Oct 19, 2017 Good Very quick and easy. Software is smooth and swift, but without any image editing option to alter. Oct 20, 2017 Software is a beautiful I'm impressed with the software. Oct 20, 2017 Very useful app It's very simple to use. It transfers photos from iPhone to PC automatically and quickly. Oct 20, 2017 Best Iphone Transfer and Backup
