It is quite possible that your Epson R340 or R700 printer drivers are not up to date. That may be why your printer is not printing properly or can not be upgraded properly. If you've upgraded to a new operating system, you may need to update your printer drivers. This update download will update your printer drivers for you and you won't have to waste time trying to figure out what the problem is. Also, if you ever encounter problems with your printer drivers, simply unzip the entire archive to your desktop and then double-click on the ReadMe.txt file. If you encounter any issues, please email me through the Contact Us page. Nearly thirty years ago, I was a guard on the first tour that Osama bin Laden would lead as leader of the al Qaeda terrorist network. Though we had been lucky up until that point and hadn't had any casualties, it was a stark reminder that we couldn't take security for granted. The situation had become untenable, even for the American government. Shortly after that tour, I joined the Army and did two tours in the Persian Gulf as a company commander with the 1st Battalion, 502nd Infantry Regiment, and saw more action than I ever imagined. On one mission, my platoon was pinned down with a well-entrenched enemy force, and I had to use every ounce of training to keep my men alive, which is when I experienced something that would shape my life forever. I can't recall a more horrific battle, and I suspect that it would still haunt me in my sleep. As we were being overrun by the enemy, my radio operator was hit by an RPG, and we had to take shelter behind a wall. Even though we had already been shot at many times and were pinned down, we were unable to call for help because our radio was down. At the time, I was in the middle of a conversation with one of my soldiers. I had just gotten him to let go of his rifle so that he could crawl to safety. I gave him some last-minute instructions before he began moving, and he said he'd come back as soon as he could. This was an exchange I had with my friend dozens of times in the next several months, as I was reduced to tears in front of him each time. My friend, who had been a professional soldier for decades, had a sudden realization and told me, "I thought I was a good soldier, but I guess I wasn't 1d6a3396d6
