

Check out our Editors' Choices for this collection! Information of the week. 443 position. "What do you think of the new American science fiction bestseller? the boss asks me. "What I think? What is science fiction, and what do I think of this book? I do not think that the author has any literary ability, except for the ability to correctly arrange words in sentences. I also think that something good could have been done from this book if it had not fallen into the hands of an untalented editor like me." At that moment, I realized that I had to do something.
