version in series so its has something more but the wow 12 step is too much for keygen to crack, you can download that in the torrent at the bottom and you will surely get it cracked.. look for it. I think Indy's going to start picking out a base jersey soon. It'll be red and white, I guess. I said it before the season, and I say it again. They should have given him the #25 for the 100th Anniversary, not #6. I

---

also agree with everyone that a plaque like was planned for Vinnie would be nice. I can't find one though. The one thing that we could have used more of was the Jets. The Jet fans were out in full force for this game. The crowd was fantastic; no empty seats or anything like that. The next step would have been to bring in the fans that were at the game. To be honest I think that it could have been a good

---

thing. Last year you would not have had an issue bringing them in, but it seems that the league wants them at home games. I was there and I thought that was ok, but I also thought it was a ploy to get more boos. I don't know if the booing was the same, but it seemed like a way to get them out of their seats. I can remember 10 years ago, that there was a group of kids with the Jets logo on

---

their jackets were carrying around a huge sign that said “BOO”. There were quite a few boos directed towards them. I know this because my wife was one of them. I am going to have to start following the NFL more closely now. I hated the Ravens until the last few years. They are the worst organization in sports. Okay, maybe it isn't the worst, but they are up there. It was great when they got rid of

---

some of the idiots, but that time has passed. I was a huge Mike O'Malley fan, but when he was given a lifetime suspension that he did something wrong...I lost interest in the Ravens. With the Rams, I felt bad for them
