How to ask for more responsibility? - cwIx I recently received a job offer from a huge company, at a more senior position than I have held before, however I feel that I am currently in way over my head. I don't feel like I have any way to ask for more responsibility, or to move to another team, due to my lack of experience. What can I do to figure out the best way to ask for more responsibility? ===== ignoranceprior What exactly are you in over your head about? What do you want to achieve? What is the true measure of success? Do you feel like you don't belong in the business? And what's your "risk threshold" in the business? Your boss's risk threshold, for example, might be a little different from yours. If your
