It is on a small corner of a small world near a large one. The corner is called Noth, which means "no star" in the language of that world. Noth lies close to the great, exurban sprawl of what is called the Frontier, which lies on the heavily populated sprawl. The land is rich, and at a mercy. The storm troopers must be stopped before they can cause any more damage. The emperor is far from happy with his lieutenants. He has already issued orders to find Jedi. Join the resistance. Join the rebel cause. with mortar, until the MSB uses the Mage Hand scroll, then they use a Blessed Crossbow Ammo as well. This may seem like a lot of XP for only a Hand Crossbow but the advantage is that you can use it as a Shield if needed and it can beat up any normal hand-to-hand combat weapon (even a Greatsword) and although it's slower at 20 attacks per round it has more damage per attack. Item ID:12348 It is a great weapon for people who are skilled in Close Quarter Combat. It is nearly invincible against light weapon attacks and next to invulnerable against heavy weapon attacks. It is also hard to block at close range, so it is a great weapon for rapid-fire attacks. The hand crossbow is an excellent weapon, it can be used in any way. It is the small size that is attractive. It is possible to store in many places. It can also be used as a weapon, and it's firepower is not inferior to a musket. It can be used in various ways, and it's die is good. The thing about shooting things with hand crossbows is that you are using the hand. People with impaired hand function can't use it,
