Invisible (Screenshots: 34) Download Invisible (Screenshots: 29) Invisible is a sandboxed (crypted) platformer. In

this game, you play as an invisible cube, making your way through the underground world of Candice. Once you are sure that the cube is safe you need to figure out how to beat the game by finding objects that help you along the way. In this game you start as an invisible cube and you need to collect objects in order to change your appearance. You collect boxes that you can use to turn on different colored lights, camera effects, and more. Once you find a wall you can see by turning on a spotlight, you can traverse that wall to collect more boxes. As 595f342e71
